RE: Delphi Corporation Case No. 05-44481

REQUEST FOR RELIEF FROM STAY OF CHARGES ACCRUED BY PETITIONER

Dear Sir,

We are a small business in Huntsville, Alabama that provides the Delphi Corporation's Athens, Alabama site with two-way radio repeater service from our tower site and maintenance of Delphi's two-way radios. We continue to provide these services on a daily basis uninterrupted despite the October 8, 2005 petition for Chapter 11 bankruptcy.

As a result of this action on October 8th, we have suffered a stop-payment of Delphi's October 3rd payment check number 900520641 for \$7,544.05 for September services even though we received and deposited this check on October 7th. Additionally, we will not be paid for our September 30th invoices for October services in the amount of \$7,194.00.

As a small business serving Delphi as a local supplier, a "hit" in this amount of \$14,738.05 is extremely serious to us but a relatively minor amount to Delphi. The services we provide continue to be used on a daily basis and are relevant to plant safety and efficiency.

We ask that Delphi be given permission to pay us for these pre-petition services.

Regards,

Kenneth Loeb
